DETAILED ACTION

Allowable Subject Matter

1. Claims 1-25 and 34-39 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest, in the claimed combination, a network interface card comprising a first printed circuit board having first and second connectors coupled therewith, a plurality of Ethernet communication paths forming a communication coupling between the first and second connectors, the first connector being configured to receive a third connector associated with a mid-plane and a chip coupled with the first printed circuit board, wherein the plurality of Ethernet communication paths coupled with the first connector with the chip, wherein the chip consolidates data received through the first connector for distribution of the data to the second connector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung S Bui whose telephone number is (703) 305-8024. The examiner can normally be reached on Monday-Friday 8:30AM-6:00PM.
